JOSCAR APPROVED SUPPLIER

Fastlane Sameday, a Trading Company of Regalpast Limited, is pleased to announce that it has achieved Level 2 status JOSCAR Accreditation

Fastlane Sameday has a rich pedigree of over 30 years of providing same day, time critical and AOG courier and haulage solutions to the aerospace, nuclear, rail, defence and security sectors.

Like us, you've probably worked hard to gain your own Accreditation knowing that this :-

- ✓ Sets you apart from your competitors
- ✓ Makes a promise of quality
- ✓ Demonstrates your commitment to compliance
- ✓ Builds trust with your customers

But why work hard to produce the highest quality product for your customers, only to have it delivered by a carrier to whom it's just another package ?

Because we understand your industry and are already familiar with most of your collection and delivery sites, you can rely on us to provide the fastest, safest and most professional service, with a guarantee of no risk of loss, damage or delay.

We only ever provide dedicated vehicles meaning that yours will be the only goods on the vehicle from start to finish and our service is covered by £20k of free Goods in Transit cover as standard.

YOU DON'T GET A SECOND CHANCE TO MAKE A FIRST IMPRESSION

Your delivery service represents your company and so they should have a good working knowledge of your business and your products. Because they are customer facing, delivery drivers play a pivotal role in the experiences your customers have.
